[REDACTED] Ex. 8 - Personal Privacy could you please resend the link to the environmental laws and regulations? It doesn't seem to connect anywhere.

Also, whenever you have time, could you please recap the list of Embassy staff who will be participating in the country team briefing that you mentioned during this morning's call? I got some of them but not all of them.

Grazie!

Anna

Thanks Mark,

We had hoped that the business round-table could be moved to an afternoon slot, as we discussed today. The U.S. business people are predominantly in Milan. I looked up the schedule, and the earliest departure is 5:00 a.m., which pulls into Rome Termini, which is close to the embassy, at 8:35. Instituto Bruno Leone participants would be in the same position of traveling far.

This link has an overview of [Italy's environmental laws and regulations](#). Coincidentally, environmental NGO Legambiente sent an invitation about environmental law enforcement today, which we'll check out.
